TOP SECRET

g. Asked DD/P to advise Amb. Warren that he had passed the information contained in [] to Loy Henderson.

25X1

h. Asked to be reminded to raise at the next OCB meeting the question of whether representatives of foreign governments will be invited to observe the forthcoming US atomic tests.

ACTION: DD/P and []

25X1

i. Advised he handed to Adm. Strauss at the NSC meeting on 18 January a very sensitive paper Mr. Helms knows about. The Director said it had been his intention to retrieve this communication, however, Adm. Strauss had left in the middle of the meeting and he was therefore unable to do so. ACTION: Mr. [] will remind the Director to call Adm. Strauss about this.

k. Noted that Dr. Wolf had recommended that TSS and the Medical Office be brought closer together. General Cabell pointed out that he did not think this a good idea in view of the medical ethics involved. Mr. Kirkpatrick noted there is a regulation soon to be published which in his opinion will accomplish Dr. Wolf's proposal to the satisfaction of TSS and the Medics.

Mr. Wisner:

25X1

Mr. Helms:

Referred to a cable from [] with reference to a conversation the Director is to have with President Kirk of Columbia University in the near future and noted headquarters knew nothing about this matter other than as indicated in the above-cited message. The Director asked it be brought to his attention when he sees Dr. Kirk. ACTION: Mr. []

25X1

25X1

Mr. Amory:

a. Noted his intention of circulating to the NSC Planning Board his comments on the China Trade paper. The Director asked to see these comments before circulation.
